The **Swan 57**, designed by Olin Stephens and built by Nautor's Swan.

Swan is the premier Yacht builder in the world and have held that mantle for many years and with good reason. No-one builds yachts to the standard and beauty of Swan. They are built to last several lifetimes and to live and breathe the ocean.

First class sailing experience on these excellent yachts built from one of the worlds most respected yacht builders renowned for their exceptional quality, luxurious accommodation and supreme comfort. Swan combine this with great beauty and exhilarating sailing performance.
