MORETON BAY & ITS ISLANDS

MORETON ISLAND

"The Gem of Southeast Queensland" is one of the best experiences that Australia has to offer. Brisbane is fortunate in having on its doorstep one of Australia's largest sand islands, making Moreton Island perfect for that much needed getaway. Moreton is almost completely sand with no roads. Just across the bay from civilisation, Moreton is quickly being discovered as an unspoilt paradise for people wanting to relax and enjoy nature.

SAINT HELENA ISLAND

St Helena Island National Park contains the ruins of a colonial penal settlement, which operated here from 1867 until 1932. Remains of the prison stockade include the bakery, workshops and underground tanks. Beyond the stockade are the stone ruins of warder accommodation, a sugar mill, lime kiln and stone causeway. Enjoy a professionally guided tour.

PEEL ISLAND

Peel Island is a small, heritage-listed island and national park located in Moreton Bay, just 4km from the mainland at Cleveland. The remote island paradise is enjoyed by many locals and visitors and can be accessed only by boat or watercraft. Horseshoe Bay on the southern side is the most popular beach on the island. It has some spectacular sandstone outcrops to explore.

BIG & LITTLE SANDHILLS

The Big and Little Sand Hills are awe inspiring dunes of white sand stretching right across the southern tip of the Island near Kooringal. The steep sand dunes provide excellent sand tobogganing

KOORINGAL

Kooringal a sleepy little town is famous for The Toulkerrie Oyster Farm where you can get fresh oysters grown right on Moreton Island. Although more isolated Kooringal offers a relaxing, secluded holiday stay off the beaten path, with great fishing all around.

TANGALOOMA WRECKS

One of the most famous wrecks on Moreton Island is the Tangalooma Wrecks. Fifteen vessels that were deliberately sunk to form a breakwall for small boats also creating an amazing wreck dive and snorkel site. Snorkelling and scuba diving at this site is an incredible adventure. The crystal clear waters provide fantastic visibility to view marine life and coral formations such as wobbegongs, trevally, kingfish yellowtail and an array of tropical fish.

LUCINDA BAY

A perfect destination for those who are looking for a quiet and peaceful getaway surrounded by stunning natural beauty. Whether you are an avid water sports enthusiast or just want to relax and unwind, Lucinda Bay is a must-visit destination on Moreton Island.
